Stringz Ensemble Group Classes Enrollment Information & Registration

2008-2009 Parental Agreement for PP Private Lessons & Stringz Ensembles Families

Please note: Enrolling your child in PP Lessons and Ensembles signifies that you accept the following parental responsibilities:

1. The parent is required to attend **each private lesson** weekly to take notes, through at least year 3 of instruction at PP, longer if child is very young.
2. Parent is also responsible to practice **with child at home**, the length of the child's lesson, **5 or 6 times weekly**.
3. It is **highly recommended** that children 8-10 also be enrolled in Muzikidz Korus or that 8 year olds also join Kindermusik for the Young Child for ear training, but not required **unless deemed by your private lesson instructor**.
4. **All private lesson students upon completing Kindermusik (age 7 or 8 & up) are required to participate in a PP string ensemble and to attend each week without exception.** Each student needs to attend his/her ensemble consistently each week, as we develop important character traits of respect for authority, as well as commitment, accountability and responsible teamwork. Thank you for your continued cooperation!
5. Private lesson / ensemble students are **required to participate** in one recital, and possibly a second opportunity to perform for the public, per semester. Cooperation and ensemble team member support sincerely appreciated from families. Providing families advance notice of performance dates will be a priority.
6. **Out of sincere respect for the majority of PP families already in compliance with the PP Studio attendance policies please note: As of December 1st, 2007, sports or other outside commitments may not circumvent the commitment made to the ensemble group for weekly rehearsal and recital attendance, or the attendance of both parent and child at the student's private lesson. Failure to comply will result in dismissal from program.** PP Music Studio will continue to accept absences for illness or a death in the family.
Please Note: Occasionally events occur within families such as a birth, a long-term illness, or other that may require someone else to bring your child to lessons for a few weeks in your place, or for absence. Please feel free to discuss these unusual circumstances with us. If at all possible, consistency with your child's music program during a family crisis will provide a surprising amount of comfort for your child. Please be assured that we'll do all we can to help during this time.
7. We'll support you and your child with our very best. **Please make sure your child's weekly schedule is conducive to assuring success within our music program. If a child has too many other demands on his / her time that are interfering, we reserve the option of requiring that changes are made.**
8. **Communication with families will be primarily by e-mail therefore habitual daily checking is essential.** and attending any parent meetings for updates is required. Meeting dates and times will be emailed to you.
9. Ensembles open only to PP Private Lesson students, however, special requests will be considered.
10. All private lesson students under 8 years of age are required to regularly attend Kindermusik classes and are welcome to participate in the appropriate ensemble as well.
11. Concert Attire helps the children feel like a valued member of a working team. It says, "I'm proud to be a member of PP Music Studio and of Toad'ly Tuned Stringz or Klassikal Kidz Orkestra!" What constitutes acceptable concert attire will be addressed each semester and we will plan opportunities to swap outgrown concert attire components with each other. Thank you for your cooperation.
